MYSTAYS Hotel Management Co., Ltd.

MYSTAYS Hotel Management Co., Ltd (Headquarters: Minato-ku, Tokyo, President and CEO: Ryoichi Shirota) will open “Hotel Mystays Kiyosumi Shirakawa” on Monday, September 9<sup>th</sup>, 2019. “Flexstay Inn Kiyosumi Shirakawa” will be rebranded as “Hotel Mystays Kiyosumi Shirakawa” and reopened with a fully renovated lobby, reception, and guest rooms including a newly created non-smoking room and a family room.

“Hotel Mystays Kiyosumi Shirakawa” is located within a one-hour train-ride from Tokyo’s Haneda Airport and within easy access from hub stations such as Tokyo and Akihabara. Kiyosumi Shirakawa is becoming one of the hottest places to visit in Tokyo. The area is dotted with trendy spots including contemporary art galleries, the Museum of Contemporary Art Tokyo and a number of coffee shops becoming popular with the rise of third wave coffee, while retaining the unspoiled landscape of a traditional Japanese neighborhood. The hotel will offer modern and comfortable accommodations under the Mystays Hotel brand and will focus on our customers’ comfort and convenience, while replacing the former Flexstay Inn’s extended stay hotel service. We are looking forward to serving a wide range of customers including family travelers from abroad.
